Pier Inspections at Loch Ryan Port

Mariners are advised that between Tuesday 21st April and Thursday 23rd April 2026, marine and shoreside asset inspections shall be undertaken at Loch Ryan Port (LRP), incl pier, jetty, fendering, linkspan, piles, gangway, lighting towers and bank seat.

RPS Group, contracted by Stena Line Ports Ltd, shall be undertaking comprehensive inspections of all assets at LRP. All inspections shall be above water - no below water line inspections are being undertaken.

A safety/support vessel shall be in attendance (when required) and shall keep a listening watch on VHF channel 14 & 16, at all times.

The only permissible vessels for berthing at LRP during this period are the scheduled Stena Superfast VII and Stena Superfast VIII. All other vessels must contact the Harbour Master or Duty Manager direct prior to arrival.

Mariners are advised to navigate with caution and use safe speed in the proximity of LRP.
